Foreman High School Faculty Over The Years

Original Author - Wayne Muscarello

Date: November 12th, 2021

Continuing Author(s) – All Foremanites past and present

1930

1976

Introduction

The Foreman High School Faculty Over the Years volume contains a short description of each Foreman High School faculty member (teachers, administration staff, operations staff, etc.) containing the facility member's name, positions / roles they performed at the school, the year they started and ended and number of years of service.

Here are some statistics for you:

- There have been 718 faculty members (captured from the available yearbooks online) from 1928 through 1976.
- There were 447 Female faculty and 271 male faculty members from 1928 through 1976.

Faculty with longest years of service from 1928 – 1976 (Note: most faculty members had 9 years of service or less which are not noted in this table):

Name	Position	Start Year	End Year	Total Years
