## President's Message

July, August, September

Here we are, already at the halfway point of 2017.

We have just completed the second book sale of 2017 with an outstanding number of books on everything from astrology to zoology and fiction to satisfy the most discerning reader. Thank you to the many volunteers that made that sale happen and to those who continue to donate books to support our goal of providing funding for materials and programs.

Have you attended one of the second Saturday Acoustic Showcase concerts? Local musicians, songwriters and singers provide an hour of great music and the concerts are funded by the Friends. You just need to show up at 2:00 PM, sit back and enjoy.

Reading by Design, the summer reading program is underway and it is for every member of the family. As of July 20, more than 1600 people had signed up and kids were already turning in their reading logs for prizes.

A recent after hours teen lock-down had 85 participants. Thanks to Chris, Loretta and others, the kids had a great time. Your support of the Friends of the Poway Library helped provide this program for the teens.

Again, thank you for all you do to make Poway Community Library a very important part of our community.

Joye Davisson

She is looking forward to providing programs and services to Poway families and residents and proud to be part of the Poway Library team.

# Library Happenings!

The FOL sponsored an adult summer reading program - We had special guests Scott Paulson and the Teeny Tiny Pit Orchestra on Saturday, June 17, performing music and sound effects with silent films. We had 16 in attendance. Scott Paulson brought a great assortment of instruments such as keyboard, harp, and Theremin which he and his colleague performed alongside silent films that we had projected in the room. Instruments were also made available for the audience to use to make sound effects during the films, which Mr. Paulson helped to instruct on use before the film and directed attendees during the films. Mr. Paulson also took time to educate attendees briefly on silent film history and background for the films shown during the program. Attendees had opportunity at the conclusion of the program to try the Theremin and harp.
