

MARKET DAY on MAIN STREET

SATURDAY, SEPTEMBER 12, 2026

Main Street in Marble Falls between Yett & 5th St.
One block west of Highway 281

MARKET DAY INFO BOOTH

If you have any questions or concerns during the event we will have Kiwanis Club members roaming the event and also an info booth set up at **Main Street & 3rd**.

All vendors must have tent weights (no exceptions)

- **Per-Leg Minimum:** Safety guidelines mandate a minimum of 35–40 lbs per leg
- **Attachment:** Weights must be securely strapped, buckled, or wrapped directly around the base of each leg.
- **Timing:** Weights must stay attached from the exact moment the tent is set up until it is completely taken down, as wind can catch a partially dismantled canopy.

FIRE EXTINGUISHER:

Bonus points if you bring a small fire extinguisher & have it visible in your booth space - and email us a photo!

(it makes the Fire Dept. Happy)

We'll give you \$10 OFF your next booth space at the next Market Day event if you snap a photo of the fire extinguisher in your booth during the event on Saturday and email photo to: marketdayonmain@gmail.com

(Put **FIRE EXTINGUISHER** in the email subject line)

SET UP TIMES:

Attached is a map/street diagram of where your booth space will be located and set up time for Market Day

Red = 7am Move-in, Move vehicle by 7:45am

Yellow = 8am Move-in, Move vehicle by 8:45am

Blue = 9am Move-in, Move vehicle by 9:45am

Booth Names are color coded on the map/diagram. ***If you can't make your time slot, no problem. Let us know, we'll work you into another slot. The street will also be marked with booth#'s in chalk. We will also have staff helping direct vendors to their booth locations and vendor parking.**

- We have 45-minute time slots to drive in and unload.
- Please unload, then move your vehicle & come back to set up.
- Please do not start setting up all of your stuff and leave your vehicle in the way. Be kind to your fellow vendors & move your vehicle asap so they can also set up.

Vendors may NOT tear down until 4:00pm. No early Tear Down.
