Meeting in "General"

Click the **Share** icon on the meeting toolbar.

Select what you want to share:

- **Screen** lets you show everything on your screen.
- **Window** lets you show a specific app.
- **Microsoft Whiteboard** gives you a collaborate whiteboard.
- **PowerPoint Live** lets you show a presentation.
- **Browse** lets you find the file you want to show.

share your screen  
or document

After you select what you want to show, a red border surrounds what you're sharing.

Select **Stop sharing** to stop showing your screen.
