

FIRESTORM BATH

DYNAMIC FOAMING CLEANER

"Top Line Chemicals is dedicated to your bottom line performance."

Firestorm Bath low pH formula produces brilliant high foam cleaning with superior rinsing. It is specifically designed to work as a single application cleaner or in conjunction with other presoaks both low and high such as Essence or Command Clean.

The attractive visual effects reinforce the car wash experience in a rainbow of colors ***blue, green, light, orange, purple, and red*** using a variety of foam generating devices.

Typical dilution setting ranges from 1:128 - 1:256 which may vary upon water quality and foaming equipment application.

Consult with your Top Line Chemical Solutions representative for maximum efficiency and results.
