# **PRESERVE**

## **PAINT PROTECTANT**

*“Top Line Chemicals is dedicated to your bottom line performance.”*

Preserve shines and protects automotive exterior paint from harsh environmental conditions such as UV degradation, oxidation, ambient heat and cold, acid rain, bird dropping, and tree sap.

Apply to clean, dry, and cool surfaces by hand or polishing machine. Allow product to dry to a haze and then buff off residue to a brilliant shine.

Consult with your Top Line Chemical Solutions representative for maximum results.
