

PROLINE TRUE POLISH LIGHT

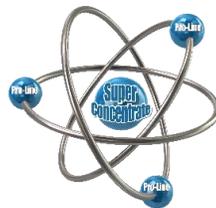

CAR WASH POLISH

Proline Super Concentrate True Polishes are proprietary innovations of high foaming polymer protectants designed to shine and protect all automotive exterior surfaces, while also assisting with vehicle drying.

The free rinsing formula is offered in a variety of brilliant colors including blue, light, orange, purple, red, and yellow.

Recommended concentrations according to application: Apply 1:256 -1:192 depending on desired color, foam level, and product dispensing application.

Consult with your Top Line Chemical Solutions representative for maximum efficiency and results.
