

## TOP FOAM

### LO PH PRESOAK AND FOAMER

*"Top Line Chemicals is dedicated to your bottom line performance."*

Top Foam's hyper concentrated formulation delivers extraordinary cleaning, foaming, lubrication, and rinsing for multiple automatic car wash applications including as a low pH presoak, wrap foamer, and as a primary super foamer. Its superior formulation provides the greatest performance and low cost per application car washing value in the industry. The attractive visual effects reinforce the car wash experience using a variety of foam generating devices.

Recommended concentrations vary depending on product application, temperature, and local environmental soil conditions:

- Low pH Presoak- 1:512
- Wrap Foamer- 1:1280 - 1:640
- Super Foamer- 1:640 - 1:512
- Touchless Lo pH Presoak- 1:512 - 1:256

Consult with your Top Line Chemical Solutions representative for maximum efficiency and results.
