TRUE POLISH LIGHT

CAR WASH POLISH

"Top Line Chemicals is dedicated to your bottom line performance."

Top Line's True Polishes are proprietary innovations of concentrated, high foaming polymer protectants designed to shine and protect all automotive exterior surfaces, while also assisting with vehicle drying. The free rinsing formula is offered in a variety of brilliant colors **blue, light, orange, purple, red, and yellow**. Works as a great windshield treatment.

Recommended concentrations according to application:

Automatic Car Wash: 1:90-1:192 depending on desired color, foam level, and product dispensing application.

Hand Sprayer: Thoroughly wash vehicle and rinse all residual soap. Foam onto entire exterior at approximately 1:128 allow to dwell for one minute and rinse.

Consult with your Top Line Chemical Solutions representative for maximum efficiency and results.
