True Colors® Programs for Business

True Colors programs improve your workplace culture by training all levels of employees, from executives and managers to front line staff, to recognize their greatest strengths and create a more collaborative business environment.

True Colors has been used successfully for over 40 years in business. True Colors programs foster positive, healthy, productive personal development that improves communication, teambuilding, leadership, morale, and conflict resolution skills both at work and at home.

By implementing a True Colors program, you will see individual performance improved, workplace and personal stress reduced, greater levels of employee satisfaction, less
turnover, a more harmonious work environment, and more successful leaders.

We offer an Online Assessment you will receive an in-depth 20+ page True Colors Report describing your behavioral tendencies in your interactions with others. You will also receive powerfully effective methods for helping you succeed with people who have a different True Colors Color Spectrum. In addition, we offer cumulative Team Report and tremendously helpful Leaders Report.
