Transforming Kitchens and Baths for Over 30 Years

For over three decades, I have been passionately transforming homes by designing beautiful, functional, and personalized kitchens and baths. My commitment to delivering exceptional quality has led to the successful completion of over 300 remodels, ranging from intimate, cozy kitchens to large-scale luxury renovations.

With expertise spanning all phases of the design process—concept, materials selection, space planning, and final installation—I provide a full-service experience that ensures your project will exceed your expectations, both in style and function. Whether you're dreaming of a modern minimalist kitchen or a luxurious spa-like bathroom, my goal is to create spaces that reflect your lifestyle and enhance your home's value.

Why Choose Me?

****30+ Years of Expertise****: As a Certified Master Kitchen and Bath Designer (CMKBD) with a proven track record of success, I've dedicated my career to mastering the art of space planning, functionality, and beauty in every project.

****Personalized Approach****: I collaborate closely with you to understand your specific needs, preferences, and vision, ensuring that every detail is tailored to reflect your style and practical requirements.

****End-to-End Project Management****: From the initial design consultation to the final installation, I manage every aspect of your project, coordinating with contractors and suppliers to deliver a seamless, stress-free experience.

****Award-Winning Designs****: My work has been recognized in national publications like Beautiful Kitchens Magazine and Traditional Home. I take pride in creating timeless spaces that are both functional and beautiful, designed to inspire and enrich your home for years to come.

****High-Quality Materials and Workmanship****: I work exclusively with

trusted suppliers and contractors, ensuring that every element of your new kitchen or bath is built to the highest standards of quality and durability.

Notable Accomplishments

****Luxury Kitchen Remodels**:** Over the past 30 years, I've designed hundreds of custom kitchens, including a \$400,000 kitchen remodel that was featured in Traditional Home Magazine. This project involved transforming an outdated kitchen into a state-of-the-art cooking and entertaining space with custom cabinetry, professional-grade appliances, and bespoke finishes.

****Complete Home Renovations**:** My expertise goes beyond kitchens and baths. As part of a design/build team with Zeta Construction, I've overseen complete home renovations, integrating my designs into whole-house remodels that deliver both aesthetic appeal and increased property value. This holistic approach ensures that every part of the home flows together seamlessly.

****Award-Winning Designs**:** My work has been celebrated in numerous design publications, including Beautiful Kitchens Magazine and Coastal Living. I'm honored to have my designs featured as examples of excellence in modern kitchen and bath design.

****Innovative Storage Solutions**:** One of my standout design principles is creating innovative storage solutions that maximize space without sacrificing style. I've incorporated custom cabinetry, hidden storage compartments, and smart layout designs into hundreds of projects, ensuring that even small kitchens are highly functional and organized.

What I Can Do for You

****Custom Kitchen Design**:** Whether you're looking to revitalize your outdated kitchen or create an entirely new space, I specialize in crafting custom designs that bring both beauty and functionality to the heart of your home. From high-end, luxury remodels to practical, budget-conscious designs, I ensure that every kitchen is tailored to meet your needs.

****Spa-Like Bathrooms**:** Your bathroom should be a place of relaxation and serenity. I create spa-inspired baths that combine luxury materials, innovative layouts, and soothing design elements to make your bathroom a retreat within your own home.

****Whole-Home Remodels**:** As part of a design/build team, I offer full-service remodels that include not only kitchens and baths but also whole-home transformations. Whether you're flipping a property or upgrading your forever

home, I manage every aspect of the design to ensure a cohesive and beautiful result.

****Budget Management**:** I understand that a kitchen or bath remodel is a significant investment. My experience enables me to deliver high-quality results that stay within your budget while maximizing value and minimizing waste.

Client Testimonials

"I worked with Eileen on a complete kitchen overhaul, and I couldn't be happier. She truly understood our needs and designed a space that is both functional and beautiful. The project was completed on time, and the results are stunning! I've already recommended her to all of my friends." — *Sarah L., Client*

"Eileen's expertise and professionalism were evident from the moment we met. She transformed our outdated bathroom into a luxurious space that feels like a high-end spa. Every detail was meticulously planned, and the entire process was stress-free. Highly recommend!" — *John P., Client*
