WHO WE ARE

Arizona Derby Dames Association is committed to promoting the transformative power of banked track roller derby for both youth and adults through an inclusive environment where athletes of all ages and backgrounds can thrive through sportsmanship, leadership, and teamwork.

The league was founded in 2005 and has been 100% player owned and operated since its inception. This means that all events are orchestrated and ran by its diverse league members and volunteers.

The Arizona Derby Dames (AZDD) have been one of the world's largest and fastest growing Roller Derby leagues. It is now entering its 20th full season. With five teams, a youth program, and a league of over one hundred people, the Arizona Derby Dames have long been a leading force in the modern international roller derby movement.
