Dear Council Member Krekorian,

It was a pleasure meeting with you last week.

I wanted to follow up on one particular item that was discussed: reimbursement of permit fees charged in error to Valley Village residents.

I am attaching a copy of the memo drafted by Vincent Bertoni, dated March 1, 2019, that comes to the clear conclusion that Single Family Projects in Valley Village are NOT subject to the Project Permit Compliance process and therefore not subject to the associated fees.

We appreciate your office looking into this. We look forward to hearing from you as to next steps and how we can help these folks get their money back.

Best,

Beth Fulton
