Dear Council Member Krekorian,

Valley Village Homeowners Association would like to go on record supporting The Greater Valley Glen Council's **opposition to converting the single-family home at 6130 Wilkinson Ave.** into a facility that offers short-term residency and board for up to 15 unrelated adults.

To be clear, we understand the need for affordable housing - and support efforts to create affordable housing. However, we robustly argue that the community's quality of life should be preserved. Valley Village has worked hard to shape zoning in a fashion that benefits as many stakeholders as possible. We respectfully ask that you support the underlying zoning that benefits our community.

Respectfully,

Beth Fulton
