P.O. Box 4916, Valley Village, CA 91617 • (818) 506-5158

Serving the Valley Village Community located in the City of Los Angeles, bounded by Burbank Blvd., on the North, Ventura Fwy. on the South, Tujunga Wash on the West and the Hollywood Fwy. on the East.

Dear President Barron and Commissioners:

This letter is sent to express the full support of our Valley Village Homeowners Association for the effort to obtain historic status for the fifteen Magnolia Boulevard trees located at 11755 -11805 West Magnolia Boulevard.

Valley Village is a residential neighborhood in the southeast San Fernando Valley. One of the most attractive features of our community and something we zealously protect is the mature tree canopy, with many of the trees dating back over 200 years. These fifteen Magnolia Boulevard trees have stood through generations of residents and survived years of changes in land use and development. As future zoning and land use evolves over coming generations, we feel strongly that this important part of the history of Los Angeles be recognized and protected.

Thank you for the opportunity to lend our support to this very important effort.

Sincerely,

Beth Fulton
President
