Why are you seeking the Conservative endorsement?

Recent upset in the mayor election in the village of Johnson City. New incumbent has no understanding elected officials need to represent the tax payers and personal preferences.

To ensure the tax payers of the village are represented in a fair and ethical manner

What is the top issue facing your community? How will you address it?

Newly appointed mayor has replaced our clerk treasurer with an individual who has no knowledge of financial accounting. Very concerned for the taxpayers

How will you make government more efficient?

Require accountability and ensure tax payers money is spent for the right reasons.

Do you think the SAFE Act has helped or hurt New York?

I believe law abiding citizens have the right to bear arms. Convicted felons and mentally ill individuals do not have this right. I'm not convinced the statistics nys has reported are accurate.
