Will you be seeking the Working Families Party endorsement? No

Why are you seeking the Conservative endorsement?

Our community elected a democratic mayor in 2025. She took office on January 1st 2026. In just her short term in office she has already harmed the village. I need as much help as possible so that our Village Board can maintain its republican majority.

Why are you running for office?

To preserve the integrity and prosperity of our Village.

What is the top issue facing your community? How will you address it?

Johnson City has seen a redevelopment in the last few years and I want to see progress continue. We need to encourage more developers and entrepreneurs to come and look at the village as a good place to start or relocate their businesses. I can do this by limited roadblocks that to much government put in the way.

How will you make government more efficient?

I would like to keep the lines of communication open with our department heads, and village employees making it a place where they can work together along with the board to develop better ways of doing things.

Do you think the SAFE Act has helped or hurt New York?

I think when it was first introduced it seemed like a good thing. As times has progressed it seems like it is another way that government can take your guns away and limit your 2nd amendment rights. I do support the NRA and citizens rights to own guns.

Do you consider yourself Pro-Life or Pro-Choice?

I am pro life as I am a life long Catholic.
