Submission Date Feb 18, 2026 9:23 AM

Name (Please put your middle initial at the end of your first name) Matthew Butler

Address 21 Mountainbrook Drive
Vestal, New York, 13850

Office you're running for? Town Justice

Municipality? Vestal

What party are you enrolled in? Republican

Why are you seeking the Conservative endorsement?
As a sitting Town Justice, my duty is to apply the law fairly and impartially to every person who appears before the court. I believe the Conservative Party's emphasis on public safety, accountability, and efficient government aligns with my record of maintaining a courtroom that is firm, fair, and respectful of taxpayers and the community. I would be honored to earn your support in continuing my service to the residents of Vestal with integrity and independence.

How have you used conservative principles while in office?
In my role as Town Justice, I do not decide cases based on politics or ideology. Instead, I apply the law as written and ensure that proceedings are conducted fairly, efficiently, and with respect for people, victims, defendants, and the community.

What accomplishments have you had in office?
During my tenure as Town Justice, I have focused on maintaining a courtroom that is professional, efficient, and respectful to all who appear before it. My accomplishments include:

Ensuring cases are handled promptly and in accordance with New York law; maintaining a courtroom environment that balances public safety, fairness, and due process; working cooperatively with court staff, law enforcement, and counsel to promote efficient case flow and maintaining a relaxed/comfortable environment for all that enter the court.

Further, I have upheld the integrity and independence of the judiciary in every matter before the court.

What is the most important issue facing your community and how do you plan to address it?

There are many issues facing our community that also effect the Courts, but the only thing that I can do as Town Justice is apply the law and uphold the standards required of the judiciary in a fair and efficient manner.
