

Incumbent Conservative Endorsement Questionnaire

Petition Information

This information must match any other party petitions you'll be circulating.

Name (Please put your middle initial at the end of your first name) Shellie Spinelli

Address 105 Bermond Ave
Endicott, NY, 13760

Office you're running for? Trustee

Municipality? Village of Endicott

What party are you enrolled in? Republican

Why are you seeking the Conservative endorsement?

I am working to restore a sense of pride in our community, to provide safe neighborhoods, and attract business that will bring prosperity back. I seek the Conservative endorsement to add support to achieve this goal.

How have you used conservative principles while in office?

I have worked on quality of life issues through community engagement activities, public safety concerns, and code enforcement projects.

I have worked to provide greater transparency for residents through better communication via website/social and written correspondence.

I have worked on committees to promote business and revitalize our community.

What accomplishments have you had in office?

The implementation of the Text My Gov program has provided residents with increased communication and quick response to resident issues.

I supported Washington Avenue business with projects to increase and maintain foot traffic during the Avenue renovation.

Participated in the Imagine Endicott steering committee project which will provide a path for future investment and development of our community.

What is the most important issue facing your community and how do you plan to address it?

I feel one of the most important issues in our community relate to code enforcement. The visual presentation of our village is what attracts business and residents. We have a very walkable community with so much potential. I am working to address the barriers to maintaining safe and beautiful properties in the village.
