

## **Beulah Arts and Crafts Festival Schedule**

A regional favorite, the Beulah Arts and Crafts Festival takes place in front of the beautiful backdrop of the Beulah Valley and the Wet Mountains. The Fine Art Exhibition in the school building will exhibit the work of some of the region's top artists in 8 categories. The festival features three days of live music on the main stage, a beer garden and food trucks. Artists, crafters, and cottage food vendors will be selling unique, handmade goods Saturday and Sunday. The *Beulah Cool Mountain Run Classic Car Show* on Saturday and children's activities on Sunday make this festival a not-to-be-missed event! Visit the historic Dotson Cabin on the festival grounds for "Celebrate Beulah," an exhibit of art by Beulah artists. The cabin also provides a glimpse into the life of early Beulah residents. And for a taste of real Beulah tradition, head to the Goodpasture barn for a performance of the always hilarious melodrama, an original production written and performed by Beulah residents.
