Whatever Will Be, Will Be — Embracing Summer as a Season of Renewal

By Pastor George Cooper

After a cold and wet spring, it is refreshing and hopefully, summer is just around the corner. Will it be wet and cold? Will it be hot and dry? What will be, will be. As a kid, my grandmother, aunt, and mother would sing this line as we traveled to historical sites across the country. The song attributed to Doris Day has the following refrain.

*Que sera, sera
Whatever will be, will be
The future's not ours to see
Que sera, sera
What will be, will be.*

I know I am dating myself when I quote this popular song, which first became popular in 1955, but to my defense, I was a little kid at the time.

The weather, whatever it will be, has been warmer over the last few days. I've actually seen that radiant ball in the sky we call the sun. Personally, I'm enjoying the change of seasons in my first Spring and Summer as pastor of the First Presbyterian Church. Where I moved from is already in the nineties.

Summer days allow the opportunity to take off your coat and go outdoors to enjoy nature. The outdoors has always been an opportunity for me to get closer to God.

The author of Job writes in 12:7-10, "But ask the animals, and they will teach you, or the birds in the sky, and they will tell you; or speak to the earth, and it will teach you, or let the fish in the sea inform you. Which of all these does not know that the hand of the Lord has done this? In his hand is the life of every creature and the breath of all humankind.

Regardless of hot and dry or cold and wet, I hope your summer allows time for the outdoors. Enjoy God's creation. When we do, our minds relax, our anxieties calm, we worry less, and we rest. In many ways, summer is our season of Sabbath for rest and renewal.

With relaxed minds and hearts, we come to church in a new frame of mind. We can worship more freely. We can begin to plan for the future to strengthen our congregation. Join us for the church picnic on July 27th. Be looking for the report from Plentiful Gifts. Prayerfully discern your participation in Discipleship Bible Study with a start date of August.

Enjoy your summer with family and friends, including your church family at First Presbyterian Church.

SESSION—

Thank You to Presbyterian Women for Their Generous Gift

We are deeply grateful to the Presbyterian Women (PW) for their generous donation which made it possible for us to purchase a much-needed new dehumidifier for the church basement. Thanks to your support, we can better protect our building and ensure a healthier, more comfortable space for all who use it.

The basement is home to many of our ministries, storage areas. Maintaining a dry, safe environment is essential. The new dehumidifier will help prevent moisture damage, reduce the risk of mold, and preserve the integrity of our church's facilities.

Your thoughtful contribution reflects the spirit of stewardship and care that PW brings to every aspect of church life. Thank you for investing in the well-being of our church home.

June 9 & 10, 2025
with stops at Rome, Oriskany,

In 1824, Gilbert du Motier, Marquis de Lafayette, the last living Major General of the American Revolutionary War (1775 -1783), accepted an invitation to return to the United State in advance of America's 50th Birthday. The man who first journeyed to America as a nineteen year old volunteer for the cause of American Independence arrived in New York City to adoring crowds on August 16, 1824. His trip was meant to last only three months so he would visit the original 13 colonies (states). His "Rock Star" Tour instead lasted 13 months, covering 24 states and over 6,000 miles. In advance of America's 250th Birthday, the American Friends of Lafayette are celebrating the Bicentennial of Lafayette's Farewell Tour by re-enacting the entire Farewell Tour. Our area is proud to host

Senior Safety w/WFD

A BIG shout out to the **Fellowship team**, thank you for the outstanding support along with the collaboration of the Whitesboro Fire Department during our Senior Safety Open House on May 7th. We were thrilled with the turnout—nearly 50 people—and even more so with the impact was made together. A special Thank you goes out to **George Massarotti**,

Fire Chief and his dedicated volunteer staff.

With the grant through the Community Foundation we were able to distribute 25 new fire extinguishers, 28 smoke detectors, and 27 carbon monoxide detectors. These vital tools will go a long way in helping our seniors stay safe in their homes.

As a small token of our appreciation, \$500 from the congregation was given towards WFD annual fund drive. We deeply value the work they do and are proud to support it.
