Pay Rent on Your Schedule

With manageable payments that fit your budget — and your life

Rent is typically due on the same day every month, but sometimes, this isn't always easy on your wallet. Pay rent on a schedule that works for you and is always guaranteed to be on time. No more late fees or worrying about rent. And the best part? It's now available in your AppFolio Online Portal.

Here's How it Works:

- ✓ Flex pays your rent on time and in full when rent is due.
- ✓ You create a custom payment schedule and repay Flex in installments that fit your budget and lifestyle.

Don't worry about another rent payment — get started today. Flexible Rent by Flex is already available in your Online Portal, so signing up is quick and easy!

Questions?

Check out a few key FAQs below or visit Flexible Rent by Flex for a full list of FAQs [here](#).

How much does Flexible Rent by Flex cost?

Flex rent payment services are offered for a monthly membership fee of \$14.99. All payments include a 1% bill payment fee (an additional 2.5% processing fee when you pay with a credit card) and a \$3 passthrough fee, applied to your repayment to Flex.

What payment methods does Flex accept?

Flex accepts payments made via U.S.-based debit cards and most credit cards.

Does Flex run a credit check when I use the service?

Flex conducts a one-time soft credit check when you set up your Flex account. This will *not* impact your credit score.

How do I contact Flex if I have an issue?

You can contact Flex directly by email at help@getflex.com or via live chat in the Flex mobile app, available 24/7.
