Mr. Peter T. Zuyus  
Executive Director  
Seniors of Alaska, Inc

Dear Seniors of Alaska,

I am happy to inform you that the Governor's office has promised to cancel their plans to close or privatize DMV offices in six rural communities. Thank you for your advocacy on keeping these office locations open. Seniors of Alaska public advocacy on behalf of seniors and rural residents brought the DMV issue to the forefront and was crucial in our HB 137 testimony.

At this point I don't think it's necessary to advance HB 137, my bill on the issue, but it will remain in Community & Regional Affairs. It will remain available in case the administration reverses course and breaks their promise.

I have attached their letter to my office here.

Thank you once again,

A handwritten signature in blue ink, appearing to be "Zack Fields", written in a cursive style.
