Minutes from August 25, 2025 approved ~ Motion to accept/Jon, 2nd/Mark L

ROADS AND EQUIPMENT: Roadmaster: Working on Simmons Road (finished graveling, graded and brined), cleaned out building in pit, ready to be leveled for concrete pour; inspected township roads, cut some trees/branches, took scrap metal to recycle yard, washed grader/greased, getting ready to prep trucks for winter

ZONING AND BUILDING: (1) application for a pole building on Simmons Road

CORRESPONDENCE: City of Corry engineer letter to township supervisors requesting flow data on pump station #2 (duplicate of one sent to Sewer Authority)

OLD BUSINESS:

- Revisit quote for loader parts from Stephenson; Logan reported he called two other businesses, one quote was about the same as the one already received and the other said the reason the cost for parts is so high is that our loader is British and the parts we need are a common failure on them; only nearby dealer with parts is Stephenson, but their quote didn't include shipping; safety is the issue, loader needs fixed; remanufactured box \$2,307.90 and new OEM box is \$3,100 (just box) vs. \$3,512 plus the valve that goes inside the box and all the needed adapters, would still need fittings; chain and wheels are separate in quote from loader parts (\$2,700); supervisors asked if there was a warranty on parts; motion to accept quote from Stephenson Mark S/2nd Jon, all in favor
- Dirt and Gravel Road grant tabled 'til 2026, didn't make deadline

NEW BUSINESS:

- Vote on request from Erie County Assessment Bureau to exonerate three township mobile home parcels from past and future taxes, already approved by school board and county ~ motion by Mark S., 2nd/Jon, all in favor
- Supervisors voted to fill an open spot on the Zoning Hearing Board with Tim Green, who volunteered ~ motion/Mark S, 2nd/Mark L, all in favor
