

**Hello John and Patty,**

I hope you're staying cool and enjoying the summer time! Today, I wanted to give you a glimpse into all the amazing things that have happened so far during our summer programs.

The Super Kids Reading Camp's across Lee and Collier are seeing major improvements in students literacy skills. Meanwhile, at Super Teens Leadership Camp students are going on fun adventures and unlocking their potential as leaders.

We've also partnered with incredible organizations to provide life enriching opportunities to our students. None of this would be possible without your compassionate support. It's truly remarkable how a community that comes together can impact so many lives.

Thank you for being a part of our community here at New Horizons!

**Many blessings,**

## 20 Years in the Making

Our 2022 Digital Impact Report is now available. Last year, New Horizons celebrated 20 years of empowering the next generation. Our legacy of impacting the lives of students, volunteers, supporters, and staff has reshaped the future of Southwest Florida.

Be inspired today and enjoy the brief recap of 2022!

## Go Beyond “Good Vibes” to Create Real Impact

Some people are fortunate enough to have jobs that align with their deepest passions – but most do not. That’s why it’s important for us to seek opportunities to live our values, donate our time and money, or practice creativity outside of work.

## Student Achievements

Congratulations to the 11 New Horizons students who after a rigorous application and interview process, were selected into the Take Stock in Children-Lee County program!

Lee County Public School's selected 49 students across the district. These students will receive a 4-year tuition scholarship, upon graduation, if they meet the requirements of the program.

Well done Super Teens, Daniel, Michelle, Michael, Gricelda, Brayan, Yaresly, Isaiah, Aidna, Jae, Brianna, and Daniela (not pictured)!

## Hear from the Heart

*Each month you will be hearing from our team about their heart towards the mission of New Horizons.*

Hi, my name is Geneva Cummins and I'm the North Lee Area Coordinator. I have had the privilege of holding several different positions with New Horizons over the last 5 years. I believe this has given me a special perspective on what we are capable of accomplishing as an organization. I can say wholeheartedly that New Horizons is much more than a job to me; It has become an integral part of who I am as a person. Nothing has given me more joy or fulfillment than working with our students and their families.
