What people are saying about the training:

94% rate the presentation as VERY EFFECTIVE

Everything was greatly explained
- Administrative Assistant

Great communicator, very knowledgeable!
- SHAC Member

This is so helpful for a parent like me who has a 4th grader. Thank you!
- Parent

Lori Kuykendall, MPH

Mrs. Kuykendall has 30+ years' experience in health education in Texas schools. She served on three TEA work groups for the health TEKS, delivered invited testimony to the State Board of Education, and Texas State Legislature. She earned a B.S. in Health Education from Texas A&M University and her Masters in Public Health from Liberty University.
