As we get set to kick off our 2015-2016 Tri-County ASHRAE season, let’s take a moment to review ASHRAE’s core values...

**Excellence**
ASHRAE education, technical information and all other activities and products will always reflect the best practices that lead our industry. We strive for continuous improvement and innovation in all our practices and products.

**Commitment**
ASHRAE and its members are passionate about serving the built environment, creating value, and recognizing the accomplishments of others.

**Integrity**
ASHRAE is committed to the highest ethical standards. We work transparently, observing essential requirements for due process and peer reviews to assure our members and stakeholders that we do the right things the right way.

**Collaboration**
ASHRAE seeks and embraces collaborative efforts with organizations, agencies, and individuals sharing our commitment to sustainable built environments.

**Volunteerism**
Members lead ASHRAE at every level, serving ASHRAE and helping ASHRAE serve society.
PLEASE SUPPORT OUR BUSINESS CARD ADVERTISERS LOCATED HERE AND ELSEWHERE IN THIS PUBLICATION...

MAKE AN INVESTMENT IN OUR INDUSTRY’S FUTURE!

If you would like to place a business card ad in Super Heat for the 2015-2016 Tri-County ASHRAE season, please contact Felix Monterroso via e-mail at
ashraetricounty@gmail.com

THANK YOU FOR YOUR SUPPORT!!!

Looking for a unique marketing opportunity?
We’ve got a deal for you!
For only $50 (that’s right, only $50!) you and many more can see your business card appear on THIS PAGE of THIS PUBLICATION for the 2015-2016 Tri-County ASHRAE season!

Now that you’re interested, send a *.jpg version of your business card to Felix Monterroso at ashraetricounty@gmail.com while sending a check for $50 made out to Tri-County ASHRAE. Felix will let you know where to send the check when you send your business card file to him at the above e-mail address.

Installation Night!

It is time to celebrate another successful season at Tri-County ASHRAE! It’s also time to install our next round of leaders for the 2015-2016 season! Join us as we install:

- **Shaw Gentry**, PE, CEM / Goss Engineering / President
- **Chris Robles** / DMG / President Elect
- **Ian Villazana** / Willdan Energy Solutions / Secretary
- **Kakeru Fujikawa** / Goss Engineering / Treasurer
- **John Garcia** / RF MacDonald Company / Board Member
- **Jaime Lopez** / The Gas Company / Board Member
- **Ryan Rodriguez** / Willdan Energy Solutions / Board Member
Tri-County ASHRAE meets ASHRAE CPP,

Student Night

At our April meeting, The Tri-County Chapter hosted the “Student Night” at the Kellogg West Restaurant in Pomona.

Students representing the ASHRAE club at the California Polytechnic University in Pomona provided a brief presentation of the annual “ASHRAE Student Design Competition” in which they are competing against top universities in the country. President of ASHRAE CPP, Carlos Soria, also provided an update on the Student Branch’s performance for this school year.

In addition, the Tri-County ASHRAE Chapter assisted young undergraduate engineers in the search for jobs by performing two mock interviews. President of the Tri-County ASHRAE Chapter, Ryan Rodriguez, and Historian, Jim Toda, interviewed two student members and then provided feedback following the interviews. It was a great and exciting night for the students as members/attendees of the chapter were also participating in the event by providing great advice to the future engineers.
Last month, Tri-County hosted the “Student Night” at Cal Poly Pomona. The meeting was fun and of great importance for the energy efficient oriented student undergraduates. Three scholarships were given to members of the student chapter and mock interviews were very successful and informative.

It was another great night of learning and networking!

Tri-County Golf Tournament was a Hit!

On April 23rd, the Tri-County chapter hosted their annual golf tournament, a fundraiser designed to raise money for research promotion, student scholarships and future chapter activities. Participants enjoyed a day on the Hidden Valley Golf Course, accompanied by dinner, door prizes and trophies.

The Tri-County chapter would like to give a big thank you to all of those who participated both on the field and off of the field in making our golf tournament a successful event!
Goss Engineering is looking for a licensed Mechanical Engineer with HVAC design experience.

GEI is seeking a licensed Mechanical Engineer who will assist on MEP study and design projects, from conceptual design through construction administration. The ideal Mechanical Engineer should have experience performing engineering calculations for airside and waterside projects.

The ideal candidate will:

- Be a licensed professional engineer (PE) in Mechanical Engineering
- Have, at a minimum, a Bachelor’s Degree in Mechanical Engineering
- Have, at a minimum, 5 years of project experience in mechanical design
- Be proficient with HVAC calculation software, including TRACE 700 and EnergyPro
- Be proficient with Microsoft Office Suite
- Be proficient with AutoCAD
- Have experience preparing bid documents
- Have a working knowledge of California codes, including CMC, CBC, and Title 24
- Be familiar with HVAC industry standards, including ASHRAE and SMACNA
- Be detailed-oriented, with an eye for superior Quality Control / Quality Assurance
- Have superb communication skills
