ASHRAE'S CORE VALUES

As we get set to kick off our 2015-2016 Tri-County ASHRAE season, let's take a moment to review ASHRAE's core values...

Excellence

ASHRAE education, technical information and all other activities and products will always reflect the best practices that lead our industry. We strive for continuous improvement and innovation in all our practices and products.

Commitment

ASHRAE and its members are passionate about serving the built environment, creating value, and recognizing the accomplishments of others.

Integrity

ASHRAE is committed to the highest ethical standards. We work transparently, observing essential requirements for due process and peer reviews to assure our members and stakeholders that we do the right things the right way.

Collaboration

ASHRAE seeks and embraces collaborative efforts with organizations, agencies, and individuals sharing our commitment to sustainable built environments.

Volunteerism

Members lead ASHRAE at every level, serving ASHRAE and helping ASHRAE serve society.

LAST MEETING

Tri-County ASHRAE meets ASHRAE CPP,

Student Night

At our April meeting, The Tri-County Chapter hosted the “Student Night” at the Kellogg West Restaurant in Pomona.

Students representing the ASHRAE club at the California Polytechnic University in Pomona provided a brief presentation of the annual “ASHRAE Student Design Competition” in which they are competing against top universities in the country. President of ASHRAE CPP, Carlos Soria, also provided an update on the Student Branch’s performance for this school year.

In addition, the Tri-County ASHRAE Chapter assisted young undergraduate engineers in the search for jobs by performing two mock interviews. President of the Tri-County ASHRAE Chapter, Ryan Rodriguez, and Historian, Jim Toda, interviewed two student members and then provided feedback following the interviews. It was a great and exciting night for the students as members/attendees of the chapter were also participating in the event by providing great advice to the future engineers.

PRICELESS PICS

Last month, Tri-County hosted the “Student Night” at Cal Poly Pomona. The meeting was fun and of great importance for the energy efficient oriented student undergraduates. Three scholarships were given to members of the student chapter and mock interviews were very successful and informative.

It was another great night of learning and networking!

GOLF TOURNAMENT

Tri-County Golf Tournament was a Hit!

On April 23rd, the Tri-County chapter hosted their annual golf tournament, a fundraiser designed to raise money for research promotion, student scholarships and future chapter activities. Participants enjoyed a day on the Hidden Valley Golf Course, accompanied by dinner, door prizes and trophies.

The Tri-County chapter would like to give a big thank you to all of those who participated both on the field and off of the field in making our golf tournament a successful event!
