HISTORIAN'S REPORT

Celebrating 25 and Looking Back on the Last CRC in Hawaii

The Tri-County Chapter of ASHRAE celebrated its 25-year anniversary this past December. Pictured are the Charter Members at the 1988 Tri-County Chartering Ceremony, at the Red Lion Inn. The chapter thanks these Charter Members for their work in starting the Tri-County chapter!

The Chapter's Regional Conference is in Hawaii this coming August. The last time the Conference was in Hawaii was 2005. Pictured are the Tri-County representatives that year in Hawaii, Art Andres at left and Jim Parker at right. The chapter wishes the 2014 representatives, Ryan Rodriguez and Joe Ordaz, good luck at this year's Conference.

Our April meeting was Student Night and we gathered with many of our members and student members at Cal Poly Pomona. Kellogg West continues to be a great venue for meetings. The discussion on air curtain technology was very informational.

CAREER OPPORTUNITIES

Goss Engineering, Inc. Seeks Full-time Mechanical Engineer

Goss Engineering, Inc., a MEP consulting firm located in the Inland Empire, is seeking a Mechanical Engineer team member to assist with and lead engineering efforts for various mechanical systems. The successful candidate will be a California licensed mechanical engineer with at least 5 years' experience in the consulting field, focused on HVAC systems. Specific knowledge of building airside and waterside systems, as well as central plant and cogeneration facilities is a plus. The successful candidate should be experienced with load and energy modeling software such as TRACE 700 and EnergyPro. If you are interested in an exciting new opportunity, please send your resume to jobs@gossengineering.com.

Your Opportunity Here!

Each month of the eight-month Tri-County ASHRAE season, Tri-County Super Heat is e-mailed to over one hundred of the Tri-County faithful. The editor would like to believe that it gets forwarded to even more people after the initial "send" is clicked. Job opportunities can be posted in our newsletter at no charge to you. Got a position you or your company is trying to fill? Send a short description to the Super Heat editor, adam.stadnik@gmail.com and he will post it the following month.
