The Cal Poly Pomona Student branch is an important part of our membership. The Student branch thanks their past guest speakers Gil Kitching, Jay Madden, Tino Pluti, Tariq Hassan, Eric Decker, and David Hernandez. Check out the pictures from David Hernandez’ January presentation on piping systems!
Our January meeting was a hit! I can’t remember the last time that we had that many people come out to see us. We’re looking forward to even more fun as 2013 continues! Please join us!
