MEETING *Preview*

Timothy P. Quigley

Tim Quigley is the Branch HVAC Account Manager for Equipment and Controls for the Los Angeles territory of Johnson Controls, Inc. He serves on the JCI Sales Advisory Council and is an attendee of the Large Tonnage Experts Conference and the JCI seismic council. He is responsible for the HVAC strategy for Southern California.

Prior to his employment with JCI, Tim was the York Applied Equipment Manager for US Air Conditioning Distributors in City of Industry, CA. There he supported the sales efforts of York ESG products (i.e chillers and air handlers) in Southern California. Tim worked at ECS, York's previous representation company, since moving to California from New York City in 2005.

Prior to his time at ECS, Tim worked in the ITT Bell & Gossett (B&G) family for eighteen years in the factory and the field and has taught at B&G's Little Red School House. He has served on local ASHRAE chapters since 1986 and has been involved nationally with several technical committees. Tim holds a BSME from University of Missouri-Rolla (aka, Missouri Science and Technology), class of '87. He was born and raised in St. Louis, Missouri.

STUDENT *Activities*

The Cal Poly Pomona Student branch is an important part of our membership. The Student branch thanks their past guest speakers Gil Kitching, Jay Madden, Tino Pluti, Tariq Hassan, Eric Decker, and David Hernandez. Check out the pictures from David Hernandez' January presentation on piping systems!

American Society of Heating, Refrigerating, and Air Conditioning Engineers

ASHRAE, founded in 1894, is an international organization of 55,000 persons. Its sole objective is to advance through research, standards writing, publishing and continuing education the arts and sciences of heating, ventilation, air conditioning and refrigeration to serve the evolving needs of the public.
