ASHRAE'S CORE VALUES

As we get set to the end of our 2017-2018 Tri-County ASHRAE season, let's take a moment to review ASHRAE's core values...

Excellence

ASHRAE education, technical information and all other activities and products will always reflect the best practices that lead our industry. We strive for continuous improvement and innovation in all our practices and products.

Commitment

ASHRAE and its members are passionate about serving the built environment, creating value, and recognizing the accomplishments of others.

Integrity

ASHRAE is committed to the highest ethical standards. We work transparently, observing essential requirements for due process and peer reviews to assure our members and stakeholders that we do the right things the right way.

Collaboration

ASHRAE seeks and embraces collaborative efforts with organizations, agencies, and individuals sharing our commitment to sustainable built environments.

Volunteerism

Members lead ASHRAE at every level, serving ASHRAE and helping ASHRAE serve society.

Student Night!

Students representing the ASHRAE club at the California Polytechnic University in Pomona provided a brief presentation of the annual “ASHRAE Student Design Competition” in which they competed against top universities in the country. In addition, the president of ASHRAE CPP and officers updated members on the Student Branch’s performance for this school year.

In addition, there was a panel discussion on “Engineering profession,” where students were able to learn and ask questions to our volunteer engineers about their different roles within the HVAC field.

NEW MEETING

Installation Night!

Join us as we celebrate another successful year at the Tri-County Chapter and to welcome our new officers for the 2018-2019 season during our installation dinner !!!!!

JOB OPPORTUNITIES

Willdan Energy Solutions (WES) is a national leader in energy efficiency. WES's expertise covers building system retrofits, commissioning and retro-commissioning, demonstrations of new technologies, energy efficiency education/outreach, sustainability strategy and local government partnerships.
