Making Energy Efficiency a Reality

## UPOMING MEETING

### MEETING INFORMATION

Hope to see many of you at our December Joint meeting!

Date: December 9, 2025  
 Location: [8425 Firestone Blvd](#)  
[Downey, CA 90241](#)  
 Time: 5:30 PM  
 ASHRAE Member: \$75  
 Non-member is \$80

This month's meeting will be a Joint Meeting with Tri County, Orange Empire, and Southern California chapters.

MAIN PROGRAM: Healthy Buildings: Designing for Life

Speaker: Bill McQuade—ASHRAE Society President

Bill McQuade's theme for the 2025-26 ASHRAE Society Year is *"Healthy Buildings: Designing for Life."*

"Balancing energy efficiency with good IEQ ensures that buildings are not only environmentally sustainable but also conducive to the health and productivity of their occupants, creating a win-win situation for both people and the planet."

McQuade's theme highlights the interplay between energy efficiency and IEQ and presents practical solutions to enhance air quality, thermal comfort, acoustics, lighting and water quality in buildings.

McQuade is an ASHRAE Fellow and received the ASHRAE Exceptional Service Award in 2023. During his career, he has been awarded 22 U.S. and international patents related to chiller design, oil separation, chiller control algorithms and leak detection for flammable refrigerants.

**American Society of Heating, Refrigerating, and Air Conditioning Engineers**

ASHRAE, founded in 1894, is an international organization of more than 50,000 persons. Its sole objective is to advance through research, standards writing, publishing and continuing education the arts and sciences of heating, ventilation, air conditioning and refrigeration to serve the evolving needs of the public.
