UPCOMING MEETING

MAIN PROGRAM: Healthy Buildings: Designing for Life

Speaker: Bill McQuade—ASHRAE Society President

Bill McQuade’s theme for the 2025-26 ASHRAE Society Year is *“Healthy Buildings: Designing for Life.”*

“Balancing energy efficiency with good IEQ ensures that buildings are not only environmentally sustainable but also conducive to the health and productivity of their occupants, creating a win-win situation for both people and the planet.”

McQuade’s theme highlights the interplay between energy efficiency and IEQ and presents practical solutions to enhance air quality, thermal comfort, acoustics, lighting and water quality in buildings.

McQuade is an ASHRAE Fellow and received the ASHRAE Exceptional Service Award in 2023. During his career, he has been awarded 22 U.S. and international patents related to chiller design, oil separation, chiller control algorithms and leak detection for flammable refrigerants.
