About us!
**Student Night**

Presentation Summary:

Tri-County will be having our Student Night this month in person. Tri County members will be able to meet students who are interested in the HVAC industry. Also, a few Cal Poly Pomona Students will be discussing their ASHRAE Design Competition HVAC design. Hopefully, many of our members can attend this annual event.

Also Kevin Le, who is currently the Cal Poly Pomona Student Branch President, will share about his experience at the ASHRAE Winter Meeting Student Programs.

Tri-County recently sponsored an Engineering student to participate in ASHRAE student activities. The Tri County chapter sponsored one Cal Poly Pomona student to go to the ASHRAE Winter Meeting Student Programs at Las Vegas, in January. The sponsorship included all expenses for the three-day trip, which were air and ground transportation, hotel, program registration, and meals. Cal Poly Pomona students submitted a questionnaire that detailed their interest in the HVAC industry. The Tri County board members then chose Kevin as the winning entry.

Kevin participated in the following activities: YEA & Student Mixer, Welcome Party, Resorts World Central Plant tour, San Diego happy hour event at O'Shea's, and the AHR Expo. Congratulations to Kevin on his ASHRAE Winter Meeting Student Programs sponsorship!
