## In Remembrance: Dale Au

Long time ASHRAE member, Dale Au, passed away on November 5, 2023.

Dale was a friend of Tri County who be missed by many. He attended many of our meetings from his home in the Westside, via his motorcycle.

Dale attended Occidental College in Los Angeles, majoring in Geology. After graduating he worked at Shell Oil, then was in the military. After his military service was completed, he joined the HVAC industry working at d'Autremont-Helms & Associates for 22 years. He also worked for Graycon Inc. for six years, Ice Energy, KSR Associates for five years, and the last six years at Turpin & Rattan Engineering. He was always proud that his HVAC career went full circle. He started in Engineering, then went to contracting, then sales, then back to Engineering.

Dale loved the outdoors and was a competitive skier. He was also an Eagle Scout.

He is survived by his daughters Kira Grund and Natalie, and his son Kyle.
