Find Out More!
The Tri County chapter’s favorite “Senior Student” member will always be Lou Horsefield. Lou died in an automobile accident on October 31, 2005. Lou always made Tri County meetings more enjoyable with his presence and humor. The chapter certainly misses him!

Lou loved ASHRAE meetings. He would attend all four Southern California area chapters each month. He would go to the Southern California chapter the first Tuesday, the San Diego chapter the second Tuesday, the Tri County chapter the third Tuesday, and the Orange Empire chapter the fourth Tuesday.

Lou served our chapter several times, as a nominating committee member. He also regularly contributed to ASHRAE research, through the Tri County chapter.

Linne Horsefield presented Ouma Moss with the first annual Lou Horsefield Memorial Scholarship, on March 21, 2006.
The Tri-County chapter of ASHRAE was pleased to award scholarships to three deserving students, each from Cal Poly Pomona. The scholarships were awarded based on their essay responses for the following question: “How will your field of study and your future professional career support the design of energy-efficient HVAC systems”?

The first place $800 Lou Horsefield Memorial scholarship was awarded to Jazmin Leon Francisco. The second place $600 scholarship was awarded to Miguel Rodriguez. The third place $400 scholarship was awarded to Alejandro Robles.

Congratulations go out to these students. The Tri-County chapter of ASHRAE wishes them success and good luck in their future endeavors.
Manny Perez (President-Elect) represented the Tri-County ASHRAE chapter as an alternate during the 2020 Virtual CRC. He also attended “ALL” the main sessions and workshops held by Region X.

Thanks Manny, your participation was awarded with points for our chapter!
