Making Energy Efficiency a Reality

MEETING INFORMATION

Date: October 21, 2025
Location: Encore Teppan
 23525 Palomino Dr
 Diamond Bar, CA 91765
(909) 861-8278
Time: 6:30 PM
Member Cost: \$50.00

Hope to see many of you at
 our October 21 Membership
 Night Dinner meeting!

UPCOMING MEETING

MAIN PROGRAM: AI in action: Daily Tools, Transforming
 Engineering, and Construction.

Speaker: Tracey Jumper

In the Ever evolving world of Engineering and Construction, understanding the latest AI tools is crucial for staying competitive. This presentation will provide a concise comprehensive overview of the AI powered tools that are transforming daily operations for mechanical and electrical engineers, HVAC vendors, and contractors. This presentation will provide valuable knowledge and actionable insights for professionals looking to leverage AI technologies to stay ahead in a competitive market. Join us to discover the innovative AI tools that are shaping the future of construction, and learn how to integrate these technologies into your daily operations.

Tracey Jumper is a certified commission professional with 25 years of experience that began in Design, advanced to the technical specialty of commissioning, then to launching quality, driven departments and companies. Tracey holds an architectural engineering degree from Penn State university.

A great time was had by all at our Kickoff Dinner Meeting!

American Society of Heating, Refrigerating, and Air Conditioning Engineers

ASHRAE, founded in 1894, is an international organization of more than 50,000 persons. Its sole objective is to advance through research, standards writing, publishing and continuing education the arts and sciences of heating, ventilation, air conditioning and refrigeration to serve the evolving needs of the public.
