How it works?

- Any theme can be customized for any package.
- The price is depending on the design, size and elements of the décor.
- You can send the details of event through WhatsApp to make a booking. The details of the event include the Date, Venue and the Theme.
- Request for a quotation after discussing the entire details of the event.
- Booking for the event is open 3 months before the event date and the designing starts a month before the event.
- Booking can be done and the dates can be blocked only upon payment of advance.

Note : We travel for events above ₹50,000 outside Madurai
