

2024 Hoo Hoo Shoot – Preview

As The Serb’s buddy Mick often says in his sing song british dialect: Hoo-oo-HOO-oo-ooo-oo.... Hoo-oo-HOO-oo-ooo-oo....Hoo-Hoo-ShOOt-oo! It’s that time of the Fall for the Jewel. And this one, HHS 010101, promises to be one for the dunkin’ ages! The Serb loves the HHS and The Serb is absolutely postively obsessed with this field. Strength top to bottom. Everyone (almost) who is Anybody (sort of) in Majors Golf is right here in the heartland. The final four from HHS 010100 has returned. The four reigning Majors champs and 9 of top 11 in the OWGR have showed (10 of 11 if not for BKB’s Space-X call and 11 of ever-lovin’ 11 had PTG not suffered a mild heater at MinExpo).

Outrageous! The Serb notes 17 of the 20 HHS champions and 57 of the 91 Majors winners in the field. Whom is kidding who? This crap is up for grabs. Sure, sadness surrounds MSG, JRY, TT, MSG, WAR, and YCC wiggery, but oh such wonder at the thought that this could perhaps maybe possibly potentially be the weekend for one of Serb’s boys! ERN and MEL have 52 tee-em-up and no hoist-em-ups! Lonesome sacks? The Serb cites other cases to woe...MGY is 0-22 since that miraculous debut win at DHB 2015. TBK is 0 for ummm 36 since he captured Majors #1 in 2001. BDD is 0-31 since his win at HHS 001001. And, maybe most woefully woefully is the shadow of BT5 (five?) who after 17 wins in his first 56 Majors including back-to-back wins to end the 2015 season, has not sniffed even a top two in the last 35 events. Tragic circumstances. But the Serb reminds that with blade of grass mowed and every plug of mud hoed comes the hope of better days and returns to glory. But only one can win. The Serb knows that most likely it will be one of the dudes that wins in this era, but why not ERN or MEL or MGY or TBK or BDD or BT5 (five?). The only certainty is that Majors rookie, SMBA will not win...because we know that NGNW (EFATNGTHW) BNTT.

So WeaverRidge for all 54. Fine Track. Play Pool, Match Play, Match Play. Champion Bracket. Toilet Bowl (*brought to you by Connor Co*). WeaverRidge will provide a test. Most have the answers. No Cheaters. Fine weather. Good Friends. Indigestion. La La La. The Serb has joy joy joy down in The Serb’s heart.

Now The Serb talks Pools (FAMINE and DEATH are real signs, WAR and PESTILENCE are just nouns):

FAMINE:	(2) LUF (3) STL	(7) TST (4) DOED	Blue Bloods! Match Play masters. TST in deep here? Why? Thrives from 16 hole. OWGRs for LUF, STL, DOED? Woof.
DEATH:	(NR) MGY (1) CGO	(NR) MEL (6) TBK	TBK finished 2 in 2023, but...MEL is famous on Friday, CGO is (1) & (1a), and MGY ain’t no joke! (NR for MGY? Joke!)
WAR:	(14) W (26) AMB	(5) ICN-Defending Champ (11) BT5	ICN walking on cakes here? Maybe, but AMB gots him big strokes, W gots 60° daggers, and BT5 gots new putt stick.
PESTILENCE:	(16) 3M (19) ERN	(NR) SMBA-Rookie (9) BDD	ERN, BDD reenact the 2023 3 rd place match. They been there. They know what’s up. 3M should know. SMBA...no way!

[NOTABLY: The Serb only appears pleasant and optimistic. Know that The Serb attended court-ordered Anger Management counseling last week where the Serb was required to promise that for the week following The Serb would treat the HHS and its idiot loser participants with esteem and respect. Enjoy the week but don’t get used to it, pickleheads!]
