2 Man Scramble Rounds - Low Team Net

Scramble Teams 1-9 (made up of 1 Papa Bear & 1 Baby Bear) will be determined in a random public drawing the evening prior to each round.

Scramble Team 10 (One Man Scramble) for each round is predetermined and will be announced each evening also.

The Assignment of Teams to Tee Times will be done after the evening drawing (accommodating requests, as possible, and considering who done played with who already).

Round	Day	Course	1:00pm	1:10pm	1:20pm	1:30pm	1:40pm
Round 1	Monday	Tucson National (Catalina) - White Tees					
Round 2	Tuesday	Ventana Canyon (Canyon) - Gold Tees	7:00am	7:10am	7:20am	7:30am	7:40am
Round 3	Tuesday	La Paloma (Canyon/Hill) - Gold Tees	1:40pm	1:50pm	2:00pm	2:10pm	2:20pm
Round 4	Wednesday	Tucson Country Club - Blue Tees	1:30pm	1:40pm	1:50pm	2:00pm	2:10pm
Round 5	Thursday	The Gallery (North) - Azul / Verde Tees	1:40pm	1:50pm	2:00pm	2:10pm	2:20pm

Team Points for each Round will be awarded for Low Net on The Front, Low Net on The Back, and Low Net for The Full Round.

Points Earned by Place: 20 for 1st, 18 for 2nd, 16 for 3rd, 14 for 4th...and so on and so forth to 2 for 10th (aka The Kirok Participation Trophy)

Each Player will receive one half of his Team Points earned (irregardless of the number of shots used in a row that somebody might try to claim). Same for the OMS "Team".

Individual Net Skins Game

The Assignment of Players to Tee Times will be done in reverse order of points earned in the Scramble Rounds.

The 1st group off will be a threesome and the last group off will be the Leaders - to facilitate fun congregation and/or shenanigans on the last hole.

NOTE: The Fun would be exponentially more Fun, if we ever knew who actually needed to do something on 18 to win.

Final Round	Day	Course	12:40pm	12:50pm	1:00pm	1:10pm	1:20pm
	Friday	Ventana Canyon (Mountain) - Gold Tees					

Individual Points will be awarded for Group (foursome) Skins (1.5 each) and Overall (all 19 um) Skins (3.0 each) with carryovers for each.

In order to avoid the Grand Salami, Overall Skins carryovers are capped at 5 (15 points)

The Winner & The Prize Money

The Winner of the Unfrozen Cavemen is the Player that Earns the Most Points During the Week.
