It Happened Here

- MGY anti-shapiroed ERN on a mediocre shot on the front nine. Why? They had a side bet on who had to buy beer at the turn.
- DF chipped in on 11 and ERN anti-shapiroed him. The next shot DF hit to 4 feet. ERN felt so bad he gave DF the putt... and therefore the Ballibunion on 12.
- BT3 antied ERN on the last shot of the day - a polie with a two foot break. He, of course, made it again.
- After DF used his anti on ERN on 13, BT3 proclaimed he "had all the power" and then went on to make three putts in a row of 20-25 feet.
- BT3 stepped on MGY's ball and smashed it into the ground. MGY played it as it stood, from the plugged lie and promptly made par.
- Peeps antied DOED's "22 foot" make on 11 to keep him from winning the Bally on 12. DOED missed the retry but somehow still got to 12 tee box first.
- TBK anti-shapiroed PVT on 18 after PVT made a three-footer for double bogey. PVT missed the retry then tapped in for triple 7. He then informed DOED in the parking lot that he was only taking a 6. Doed played the integrity card and PVT rightly carded the 7.
