### OTHER IMPORTANT JUNK FROM THE TOURNAMENT DIRECTOR

*\* purses based on a field of 20*

**RULES OF PLAY** Play the ball up anywhere but greens, fringes, and traps. 12 inches no closer to the hole. OB is OB (must be off the course grounds or white staked). Rehit with a one-stroke penalty. Lost is only sort of lost. Drop in the area and take a one-stroke penalty. Play a ball in a hazard, red stakes (there are very few at the old course), like a ball in the hazard. No "I'll finish" allowed on the 4th or 11th green. All gimmes must be unanimous within the group.

**MULLIGANS** ONE PER PLAYER PER NINE RE-PLAY ANY TEE SHOT  
If the tee shot is in bounds and clearly visible, a mulligan hit must be used. To speed up play, if the tee shot is not clearly visible or potentially OB, a mulligan hit will be provisional and either the tee shot or the mulligan may ultimately be played. If the original tee shot is used (including one that is indeed OB), the mulligan remains available for another hole. Merry Christmas.

**SHAPIROS** ONE PER PLAYER PER NINE RE-PLAY ANY SHOT  
Same as a mulligan but can be used to replay any shot, i.e. drive, chip, putt, etc. If used for a tee shot, same rules apply exactly as a mulligan. If used for any other shot, it is not provisional and must be used.

**ANTI SHAPIROS** ONE PER PLAYER PER ROUND ORDER RE-PLAY OF ANY OTHER PLAYER'S SHOT  
Must be declared before a succeeding shot is played by any player. As a result, the original shot is deemed to have never happened...for all Mondo tournaments (and A&G)...never happened. A player may not anti-shapiro himself/herself/itself. (max 2 used on any one player per round)

### DEFINITION OF TERMS

- The Fairway** The grassy (not sandy) area bordered by the front of the tee box, the front of the green's fringe, and the edges of the rough.
- Putt** Any stroke that originates on the green. If not on the green, no matter what club is hit, it is not a putt.
- Longest Drive** The tee shot that travels the farthest distance from the tee box.

**ENTRY FEE** \$50 per player to be paid to the tournament director prior to tee time

**HANDICAPS** Full USGA handicaps will apply. (e.g. a 15 handicap will get a stroke on the 15 hardest holes)

**WINNERS & LOSERS** In case of individual tournament ties, prize money for that tournament will be combined and split evenly. In the unlikely event of a tie at the top of the whole thing, tiebreakers will be based on money won per tournament (in the order above)

**FINAL IMPORTANT NOTE** The tournament director or designate(s) will make all rulings and resolve any and all disputes. Including but not limited to: "that isn't fairway", "that's on the green", "that's clearly visible", "where do I drop?", "you hit it twice, too late for a shapiro", "what's a mulligan?", and, of course, "my daddy could beat up your daddy".
