

## 2024 Unfrozen Caveman – Preview

If the Serb was a compassionate Serb, or an empathetic Serb, or even a sympathetic Serb, The Serb would apologize for what is to come. But The Serb is none of those things. The Serb knows what The Serb wants and when The Serb doesn't get it, The Serb will be irrational and obsequious and The Serb will certainly never apologize.

Pinon Hills. Six rounds / four days. Nice Field. GNR and WAR back. MSG new. Lots of regulars. All Pinon all the time. Beautiful. Well done, TD!

But wait, what? No TST. No LUF. Ridiculousness. The Serb will not be a part of this full-frontal abomination. This is just no way to run a "Major". The Serb has no choice than to call for the cancellation of this UFC and the immediate removal of this so-called TD and a formal censure of Kirok himself!!! POTUM: Do it now or risk losing The Serb forever.

Not a threat. A warning. Of course, The Serb will not call this UFC. NO LUF, NO TST, NO SERB!! Plain and Simple.
