“FOR ME, GILDA’S IS LIKE A PRAYER, I LOVE KNOWING YOU’RE THERE.”

---

“CANCER  
DOESN’T  
DEFINE  
WHO I AM,  
OR ANYONE  
IN THE CLUB.”

“The first word that comes to mind when I think of **Gilda’s Club** is joy, and the joy that I see through my child.”

“*Gilda’s Club* is an invaluable resource for both people with cancer and their loved ones. I lost my sister to cancer. My support group saved me and helped me move forward and cope with my loss.”

“In order for me to hold up my mom, I need someone to hold me up. **Gilda’s Club** showed me that I’ll always have a place to come regardless of where my mom stands with her illness.”

“Every time I walk through the **RED DOOR**, I am in a true **COMMUNITY** of the human spirit.”

“I truly underestimated the power of group support ... at **GILDA’S CLUB** you don’t have to face cancer alone.”

“If I had to put a price on the support that I get, a million dollars. Sounds about right. I think I get a million dollars’ worth of support at **Gilda’s Club**.”

“ONE WAY OR ANOTHER WE ARE  
CONNECTED BY ONE WORD, **CANCER**.  
AND THAT’S WHAT MAKES IT SPECIAL.”

“When you’re a caregiver, you’re in a completely different world from the patient. You’re speaking a different language from every single person you know, so it was absolutely incredible to find people who spoke the same language.”

“MY FRIENDS AT **GILDA’S CLUB** BETTER UNDERSTAND WHAT I’M GOING THROUGH, HOW I’M DEALING WITH IT. I DON’T KNOW HOW I COULD HAVE SURVIVED WITHOUT **GILDA’S CLUB**.”

“I knew immediately from my diagnosis that I would need a system and a community – and so I came immediately. I knew I couldn’t do this by myself.”

Formerly known as  
**Gilda's Club**  
New York City

**“I am 40 years old now, and I don't know what it's like to lose a parent, but my kids learned that lesson at seven and three, and I wouldn't know how to support them, but Red Door Community helps give them the tools to know that they are safe and that they have a place to process their grief.”**

— RDC MEMBER, JENNIFER

**“I thank Red Door Community for the lifeline to classes, movement, and education virtually. I wouldn't have survived without this connection.”**

**“I am ALWAYS telling people about Red Door Community. Whenever anyone mentions a cancer diagnosis I tell them about Red Door Community and their support programs.”**

**“Being able to participate in activities from home is the best. Without Red Door Community’s virtual program I would be unable to do a lot of things that I find essential to my treatment.”**

**“I thank Red Door Community for the lifeline to classes, movement, and education virtually. I wouldn't have survived without this connection.”**

**“Red Door Community has helped me keep some sense of normalcy during my treatment by giving me the opportunity to schedule activities and lectures and have things to look forward to.”**

**“Red Door Community has changed my life and made it so much better.”**

**“Red Door Community has given me an enormous feeling of community and a feeling that I have a place to go to for help and to help.”**

**“I’m so grateful for finding Red Door Community. My family lives in another state, my cancer had taken my voice and I was so lonely, thank you for including me.”**

**“Red Door Community instructors are well-credentialed, professional, and friendly. I've participated in a variety of workshops on an ongoing basis, including special presentations, and thoroughly enjoy the instructors and participants. Red Door Community (formerly known as Gilda's Club NYC) is a big part of my life in both post-treatment and during the many times I've had several types of cancer. Keep up the great work!”**

**“I am just grateful that Red Door Community exists.”**
