Schools that order the CELSA must order annual site licenses. Site licenses are renewed each year. For ATB testing only (no course placement testing), site licenses are \$195 regardless of the number of students tested. ATB has two options: mail-in paper/pencil testing and computer delivered testing. For paper/pencil testing, reusable test booklets must be purchased in addition to the mail-in ATB packets that contain a student answer sheet, mailing envelope, cover sheet, scoring and reporting. For computer delivered testing, CTA software for ATB requires CTA-. CTA has an annual software license/maintenance support fee of \$800. Prices effective 9/1/2015
