WHICH SERIES SUITS YOU?

ABS

Everyday protection

Abrasion-resistant ABS, base drop-protection bumper, EPS foam core and velvet lining. The widest range of body shapes.

ABS Deluxe

Built for the touring musician

Lightweight, impact-resistant shell with hybrid EPS + EVA protection, dual neck cradle and lid cushioning.

ABS Premium (Amalfi)

Stand-out style

Dual-tone or black-diamond textured finishes, aluminum valance and chrome drawbolt latches.

Wooden

Classic craftsmanship

Multi-ply wood shells in Tolex, tweed or suede finishes with plush, fitted interiors.

Flying with your guitar?

Choose a TSA-lock version. Any SKU containing "-T-" is the TSA-lock variant (for example GW-EABS-T-CON).

ABS Cases

Everyday hard-shell protection: tough on scuffs and drops, gentle on your finish.

Concerto (acoustic) exterior

Forza (electric) exterior

Interior with neck cradle

SHELL

Abrasion-resistant ABS resin

PROTECTION

Drop-protection base bumper

INTERIOR

EPS foam core, velvet lining

CLOSURE

Latch or TSA lock | Black

EXTERIOR

- **Material:** High-grade, abrasion-resistant ABS resin protects the case from scuffs and scratches.
- **Base:** Drop-protection bumper shields the guitar from impact shocks.
- **Latches:** Lid latches securely hold the guitar inside the case.

INTERIOR

- **Foam core:** High-density EPS foam absorbs drops and impacts and insulates against temperature.
- **Plush lining:** Deep-pile velvet prevents scratches and protects delicate finishes.
- **Neck support:** Reinforced neck cradle supports neck and headstock in transit.
- **Accessories:** Built-in box for picks, strings, capos and tuners.

ABS Cases: Sizes & SKUs

Choose a body shape and lock type. All ABS cases are finished in black. **Latch** = standard latch closure; **TSA** = TSA-approved lock for air travel.

ABS Deluxe Cases

Designed for the touring musician: premium protection, upgraded interior, extremely light weight.

Concerto Deluxe (acoustic)

Forza Deluxe (electric)

Interior with dual neck cradle

SHELL

Rugged ABS polymer

PROTECTION

Hybrid EPS + EVA inserts

NECK SUPPORT

Dual cradle system

CLOSURE

Latch or TSA lock | Black

EXTERIOR

- **Material:** Rugged ABS polymer exterior with superior impact resistance.
- **Performance:** Deflects knocks and drops while remaining extremely lightweight.

INTERIOR

- **Hybrid protection:** High-density EPS foam with EVA shock-absorbing inserts at key stress points for enhanced drop protection and rigidity.
- **Plush lining:** Deep-pile, shed-resistant velvet protects finishes from scratches and wear.
- **Neck support:** Dual cradle system secures neck and headstock during transport.
- **Lid cushioning:** Foam padding gently stabilizes the guitar.
- **Accessories:** Large central compartment for strings, straps, tuners and humidifiers.

ABS Deluxe: Sizes & SKUs

All ABS Deluxe cases are finished in black. **Latch** = standard latch closure; **TSA** = TSA-approved lock for air travel.

Electric bass TSA	GRB-ABS-T-FRZDX	Black	TSA

Amalfi DP

Maximum protection with a sleek, modern look: a dual-tone hard shell built for travel and touring.

Acoustic case, dual tone

Electric case, dual tone

Plush interior with neck cradle

SHELL

High-impact molded ABS

FINISH

Dual tone, carbon-fiber pattern

SEAL

Aluminum valance

CLOSURE

Latch or TSA lock

EXTERIOR & STRUCTURE

- **Shell:** High-impact molded ABS for shock and impact resistance.
- **Finish:** Textured dark charcoal grey with a carbon-fiber style pattern for scratch resistance.
- **Design:** Dual-tone double-colored diamond grain with a premium look.
- **Arched top:** Reinforced for improved impact and crush resistance.
- **Valance:** Heavy-duty aluminum valance seals against dust and moisture.
- **Bumpers:** Protective molded bumpers when placed on surfaces.

INTERIOR & HARDWARE

- **Lining:** Soft, thick plush protects the guitar finish from scratches.
- **Neck support:** Contoured cradle supports the neck during transport.
- **Storage:** Built-in compartment for picks, capos, tuners and strings.
- **Lid support:** Retention strap holds the lid open for easy access.
- **Body padding:** Cushioned fit keeps the guitar stable and secure.
- **Hardware:** Chrome-plated draw-bolt latches, heavy-duty metal hinges, ergonomic carry handle, low-profile metallic logo badge.

Amalfi DK

The same premium construction in a textured black diamond grain finish.

Amalfi DK exterior, black diamond grain

SHELL

High-impact molded ABS

FINISH

Black diamond grain

Soft plush interior with neck cradle and lid strap

SEAL

Aluminum valance

CLOSURE

Latch or TSA lock

EXTERIOR & STRUCTURE

- **Shell:** High-impact molded ABS for shock and impact resistance.
- **Finish:** Textured pattern for added scratch resistance.
- **Design:** Black diamond grain design for a premium look.
- **Arched top:** Reinforced for improved impact and crush resistance.
- **Valance:** Heavy-duty aluminum valance seals against dust and moisture.
- **Bumpers:** Protective molded bumpers when placed on surfaces.

INTERIOR & HARDWARE

- **Lining:** Soft, thick plush protects the guitar finish from scratches.
- **Neck support:** Contoured cradle supports the neck during transport.
