

OLSEN TECHNOLOGIES & MGT LLC

PRODUCT: (Note 3)	MODEL:	PRODUCT FEATURES & FUNCTIONS:													Part No.	PRICE:
		Dual Battery Control Switch - LED Indicators	Over Volts (OV) - Crowbar Device (SCR)	Test Mode - Pushbutton	OV + Under Volts (UV)	+ OV & UV dual Detect LEDs	Integrated Power Backup (Test Toggle Switch)	+ Low Voltage Monitor LED & Automatic Control	+ Alternator Field OV - Solid State Relay (SSR)	+ Dual Starting Battery Control - LED's & Control	Bring Your Own Battery(s) - [BYOBs]					
IPB with OVPD & RP - Dual Battery Start Accessory Kit	OTM-IPBO/DBS								X	X	X	X	Yes (2) Note 2	P18200-03	\$ 499.99	
IPB with OVPD using Solid State Relay (SSR - 5A max.) & Remote Panel (RP) to monitor & control	OTM-IPB/OVPD							X	X	X	X	4Ah Incl Note 1	P18200-02	\$ 399.00		
Integrated Power Backup (IPB) - Solid State Essential Bus backup (9A max.)	OTM-IPB/STD							X	X			4Ah Incl Note 1	P18200-01	\$ 349.99		
OVPD with full Power Protection Monitoring (PPM)	OTM-OVPD/PPM		X		X	X							P18100-03	\$ 179.99		
OVPD with Test Mode * (Pushbutton)	OTM-OVPD/TMB		X	X								Note 4	P18100-02	\$ 79.99		
Over Voltage Protection Device (OVPD) - Standard	OTM-OVPD/STD		X										P18100-01	\$ 59.99		
Dual Battery Control Panel	OTM-DBS/DBCP		X										P18010-02	\$ 64.99		
Dual EarthX Battery Panel	OTM-DBS/DLED		X										P18010-01	\$ 49.99		
* Rotax/UL Power Relay Kit	OTM-OVPD/ER KIT		X	X								Note 4	P18100-04	\$ 79.99		

Note 1: Comes with 4Ah Li-Ion Battery. Please call for upgrade or "no battery" discount [BYOB].

Note 2: OTM sells EarthX Batteries. Please call for a quote on systems, including Batteries.

Note 3: OTM Products are Lithium Battery Compatible, including charging levels.

Note 4: Rotax and UL Power engines require an external relay and 1A circuit breaker (KIT). Both Rotax and UL Power require a large capacitor on the Regulator side (Not Included).
