

TACTICAL TRACKING PROGRAM

COURSE: Tactical Tracking Program/Phase II (TACTP-PHASE II)
11-15 November 2019 and held @ the ISOTF, Altha FI

PURPOSE: This program is designed for personnel with a requirement to conduct human tracking operations and covers training regards new/unique TTPs as well as extensive tactical applications. Training will include but will not limited to: Tactical tracking TTPs; Tactical tracking open air tactics; Introduction to tracking team equipment; Tactical tracking planning; Operator tactical medicine; Personnel handling; Tactical marksmanship with the handgun and long weapon; Immediate action drills as a member of a tactical tracking element. An integral part of the program curriculum also includes progression style open-air tactics with emphasis on the conduct of live fire operations in varied environments (normal and reduced visibility).

PRE-REQUISITES: The TACTP Phase II is performance-oriented training designed specifically for those personnel with a requirement for a foundation tactical tracking capability with additional tactical emphasis. The TACTP Phase II is designed for the Law Enforcement, Corrections and Military professional and can be tailored accordingly. Attendance is mandated as an individual or an element.

SPECIAL INFORMATION: The TACTP Phase II is conducted in a medium to high-risk environment. To successfully complete the course a student must progress through increasingly difficult training. Testing will involve performance oriented "hands-on" application of the skills learned. The TACTP Phase II has numerous practical exercises, physical challenges, classroom lectures/conferences, graded presentations and live practical exercises.
