

SPECIAL OPERATIONS TRAINING WEEK **"THE MATRIX"**

The TATSOR Special Operations Training Services Group (TSOTS-G/TATSOR Group), a professional training and advisory organization that specializes in military, law enforcement and corrections special operations and law enforcement patrol operations announces the scheduling of a Special Operations training week we have coined "The Matrix".

The "Matrix" is designed to provide a variety of special operations training modules during five training days.

The "Matrix" provides an opportunity for personnel/elements to participate in the specialized training they desire whereby new skills are learned and exercised and/or current skills refreshed and sustained. The training is dynamic and high energy with emphasis on realism and training as close to the operational environment as is possible.

The "Matrix" is open to Law Enforcement-Corrections-Military Special Operations Organizations/Units. In addition the Matrix is open to Drug Task Force personnel and patrol personnel wishing to learn new/enhance their respective skills.

The "Matrix" will be held at the Integrated Special Operations Facility (ISOTF) located in Calhoun County near Altha Florida **25 Feb -1 Mar/16-20 Sept 2019**. Midway between Panama City and Tallahassee the facility, located on 68+ acres, boasts a variety of capabilities that can accommodate a myriad of training programs/events with extensive maneuver and live fire capability.

TATSOR Group cadre/staff will coordinate, setup, support and present training within the various modules at a variety of unique ISOTF venues during the "Challenge".

The "Matrix" schedule includes in general:

- Monday Day 01-**CQB Shooting Module**
- Tuesday Day 02- **CQB Foundation Training Modules**
- Wednesday Day 03-**Precision Marksmanship/Sniper Observer TTPs Module**
- Thursday Day 04- **Small Unit Tactics/Immediate Action Drill Module**
- Friday Day 05-**Canine Special Operations Module**

The "Matrix" is limited to **24 total personnel each training period**. Personnel elements can attend multiple days, an individual day or all 5 days of training.

In addition a catered mid-day meal will be served each day.

"Matrix" participation can be by individual or element and cost per attendee is **\$150.00** for each day of training.

Cost includes the scheduled training period, that training period catered meal and lodging on the Facility if desired.
